COPR., THE AMERICAN TOBACCO COMPANY

It has been the purpose of Clemson College, in constructing Memorial Stadium and maintaining various facilities within the stadium, to provide the utmost in comfort for spectators at college games. The following directions point out the many facilities available within the stadium:

•

Concession stands are located immediately behind the top row of seats on either side of the playing field. The stands handle soft drinks, sandwiches, popcorn, peanuts, candy, etc. Vendors will sell these items from the aisles, also.

•

Ladies' restrooms are located on both sides of the stadium on the east end. Men's restrooms are located on both sides of the stadium on the West end.

•

In an emergency of any nature, come to the back of the pressbox. Please remember, however, that since important business is being conducted within the pressbox, only cases of strict emergency can be given consideration.

•

In leaving the stadium, please give utmost heed to the directions from the officers controlling traffic. Every care has been taken to move cars from the college campus in the most efficient manner and cooperation from drivers will speed up the process considerably.

A Touchdown Is A Touchstone of Teamwork!

Though it takes but one man to make a touchdown, his teammates help to make it possible. The better the teamwork, the more victories. Star players are important, but nevertheless are dependent on every man doing his job.

A sale is like a touchdown in that it is crossing the business goal line. The salesman will sell better if he has a good organization or team behind him.

The Irving L. Wilson Company, manufacturer of Clemson uniforms, is constantly striving to improve the teamwork of its organization. We believe we serve our customers well only when every person in our organization, no matter what his job, performs his duties with efficiency, initiative, and good spirit.

Here's wishing Clemson many a tiger touchdown!

Famous Clemson Tigers

Follow the fortunes of the Clemson Tigers with WAIM-WCAC. WAIM-WCAC are Clemson's official stations, so designated by the College, and they send a crew to report every Clemson Game, at home and away. They provide a direct play by play report, direct from the field for every regular Clemson Game, even going entirely across the continent to Stockton, California last year to report the game. This season, its the same program, with Raleigh Powell at the mike for Clemson's games . . . all of them.

Anderson Yellow Jackets

High School football is also emphasized, with a complete schedule of broadcasts covering the season for the Yellow Jackets. Cary Cox, former star and assistant coach at Clemson does the play by play for the High School broadcasts, which like Clemson's, are reported direct from the field, whether at home or away. Five home games and six road games are scheduled for the 1952 season.

HOLMAN'S BIG FOOTBALL PARTY

The Holman Insurance Company will again bring to the thousands of grid fans in the Anderson area the Saturday Night Football Party . . . an innovation that was widely acclaimed by enthusiastic fans last season. A full report direct by leased line from the playing fields is brought to WAIM and recorded for delayed broadcast. These play-by-play reports are aired Saturday nights . . . giving listeners a "Night Football Party" which is a tempting addition to the traditional Saturday afternoon or night game. Watch the newspapers for exact time and games.

In addition to its full Football Schedule, WAIM-WCAC carry the Anderson Rebels' Out-Of-Town games . . . the top racing events of the year, including the Kentucky Derby, the Preakness, the Hambletonian, and others . . . The Blue Ribbon fights on Wednesday nights and many other sporting events of national interest.

To enable people attending Clemson's home games to select the most direct routes to their destination when leaving the college campus, the above map is printed. As may be seen there are a number of routes in all directions beside the major highway routes. All the roads shown are paved and in good condition for travel. Drivers are asked to comply with the directions of the State Highway patrolmen who are directing traffic.
